## Step 3 : Open folder to find out downloaded report(s)

During download process, the downloading report number(s)/ files appear in the up and right corner of the monitor screen like the following red rectangle. Please move mouse cursor to

right side of the last downloaded file. After the Icon  appears

Please click  and the browser will open the folder in that the downloaded files are saved

The screenshot shows the SGS RSTS-Testing Report Download interface. At the top, there is a navigation bar with the SGS logo and menu items: 最新資訊, 研討會, 我們的服務, 文件下載, 問與答. Below this is the page title "SGS RSTS-Testing Report Download" and a "Using Help" button. The main content area features a table with the following columns: Report Number, Date, Sample Name, Style Number, and Download. The table contains four rows of data, all for "ALUMINIUM /...". The first and third rows are checked. A tooltip is visible over the fourth row, stating: "If you cannot download, please refer to the description below Setup of Multi-file Download and Save Path." Below the table is a button labeled "Click to download multiple PDF". To the right of the table is a sidebar with various service icons and links: 最新法規 訊息, 申請測試, 會員專區, 研討會, 優惠方案, and GP法規專區. At the bottom right, there are QR codes and a navigation arrow. A browser download bar is visible at the top right, showing two PDF files: "ETR21B02718 (2).pdf" and "ETR21B02716 (2).pdf", with a folder icon highlighted by a red rectangle.
